Re: Docket 422
North Atlantic Towers, LLC and New Cingular Wireless PCS, LLC ("AT&T")
Certificate of Environmental Compatibility and Public Need
655 Bassett Road, Watertown, Connecticut

Dear Ms. Roberts:

On behalf of North Atlantic Towers, LLC and New Cingular Wireless PCS LLC ("AT&T"), please accept for review and Council approval this Development Management Plan ("D&M Plan") filing for the captioned Facility as approved in Docket No. 422.

Tower, Compound & Other Equipment

Enclosed are fifteen (15) sets of 11"x 17" sized construction drawings and two (2) sets of full sized construction drawings being filed in accordance with the Siting Council's ("Council") Decision and Order dated May 10, 2012 ("Decision and Order"). The D&M Plan incorporates a 130' monopine designed pole, tower compound and AT&T shelter as provided for in the Council's Order No. 1 in this Docket. The D&M Plan also includes site clearing, drainage, and erosion and sedimentation control measures consistent with the 2002 Connecticut Guidelines for Soil Erosion and Sediment Control as amended. Also enclosed are a geotechnical report, tower and foundation drawings for the facility and specifications for AT&T's antennas and backup generator.

Required Notifications

In accordance with the provisions of RCSA Section 16-50j-77, North Atlantic Towers hereby notifies the Council of its intention to begin site work immediately after Council approval of the D&M Plan. Construction of the tower and other site improvements will commence upon issuance of a local building permit. The supervisor for all construction related matters on this project is Keith Coppins. Mr. Coppins is located at Phoenix Partnership, LLC, 110 Washington Avenue, North Haven, Connecticut and can be reached by telephone at (203)-623-3287.

We respectfully request that this matter be included on the Council's next available agenda for review and approval.

Thank you for your consideration of the enclosed.

Very truly yours,

Lucia Chiochio
