RE: **DOCKET NO. 423** – American Tower Corporation Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located off Route 198, Woodstock, Connecticut.

Dear Attorney Laub:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated August 11, 2016 regarding the revision to the Development and Management (D&M) Plan for the above-referenced site that was approved by the Council on September 20, 2012, with revisions approved on December 28, 2012, and April 3, 2014.

Pursuant to Regulations of Connecticut State Agencies §16-50j-77(b), your request to shift AT&T's shelter from the eastern portion of the compound to the western side of the compound closer to the on-site utility connections at the site is hereby approved.

This approval applies only to the D&M Plan revision dated August 11, 2016. Any significant changes to the D&M Plan require advance Council notification and approval.

Please be advised that deviations from this plan are enforceable under the provisions of the Connecticut General Statutes § 16-50u. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to Regulations of Connecticut State Agencies Section 16-50j-77.

Thank you for your attention and cooperation.

Very truly yours,

A handwritten signature in black ink, appearing to read "Melanie A. Bachman".
