TO: Council Members

FROM: Linda Roberts, Executive Director *LRoberts*

RE: **DOCKET NO. 424** - The Connecticut Light & Power Company application for a Certificate of Environmental Compatibility and Public Need for the Connecticut portion of the Interstate Reliability Project that traverses the municipalities of Lebanon, Columbia, Coventry, Mansfield, Chaplin, Hampton, Brooklyn, Pomfret, Killingly, Putnam, Thompson, and Windham, which consists of (a) new overhead 345-kV electric transmission lines and associated facilities extending between CL&P's Card Street Substation in the Town of Lebanon, Lake Road Switching Station in the Town of Killingly, and the Connecticut/Rhode Island border in the Town of Thompson; and (b) related additions at CL&P's existing Card Street Substation, Lake Road Switching Station, and Killingly Substation.

The Connecticut Siting Council has scheduled a field trip to review a section of the proposed route for the Connecticut portion of the Interstate Reliability Project. The field trip will be held on Tuesday, April 24, 2012.

The Council will meet at 1:30 p.m. at the Mansfield Middle School auditorium, 205 Spring Hill Road in Storrs. The applicant will briefly summarize the route that the bus will be taking. The bus will leave promptly at 2:00 p.m. Directions to the meeting location are enclosed.

A public hearing is scheduled for 7:00 p.m. at the Mansfield Middle School auditorium.
