**Re: Connecticut Siting Council Docket No. 425; Message Center Management application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a replacement telecommunications facility located at 4 Dittmar Road, Redding, Connecticut**

Dear Ms. Roberts:

After reviewing the Siting Council's draft findings of fact, the Town of Redding has one correction to those findings. The findings of the Visibility Section need to be capitalized. Do not reference the property of Jim Coffey at 3 Bartram Drive. We request that the findings of fact incorporate this change.

I certify that a copy of this document has been provided by electronic mail and/or first-class mail on this day to all parties on the Siting Council's service list for this Docket.

Sincerely,

By: *Brad Mondschein*
