In re Application of New Cingular Wireless :  
PCS, LLC (AT&T) Application for a : Docket No. 428  
Certificate of Environmental Compatibility and :  
Public Need for the Construction, Maintenance : July 12, 2012  
and Operation of a telecommunications tower :  
facility in Roxbury, Connecticut :

REQUEST TO INTERVENE

Pursuant to Connecticut General Statutes ("C.G.S.") Section 16-50n and Regulations of Connecticut State Agencies ("R.C.S.A.") Section 16-50j-15a, the Bronson Mountain Farm Homeowners Association ("Association") hereby requests to participate as an intervenor in the application and hearing process for Docket No. 428.

The Association is comprised of the owners of the properties on Bronson Mountain Road. Site Candidate A ("Candidate A"), located just off Route 67 on property owned by CN Builders, is adjacent to property within the Association. As required by C.G.S. § 4-177a, the participation of the Association is in the interest of justice and will not impair the orderly conduct of this proceeding. The Association is represented by counsel experienced in this type of telecommunications proceeding and will participate with expert testimony on the relevant issues.

The Association's interest in the hearing and pre-hearing process is to aid the Council in evaluating public interest considerations as set forth in C.G.S. § 16-50g. As the owners directly adjacent to Candidate A, the Association is particularly situated to provide input about the merits of this location that may be of benefit to the Council in resolving the best method of providing wireless coverage in Roxbury, Connecticut.

Therefore, for the above stated reasons, the Association seeks permission to participate in said Docket as an intervenor.

Respectfully submitted,

Bronson Mountain Farm  
Homeowners Association
