Subject: Docket 433, Pootatuck Substation Start of Construction

Dear Ms. Bachman:

Pursuant to Docket 433 for The United Illuminating Company's Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115/13.8 kilovolt substation located at 14 Old Stratford Road, Shelton Connecticut, this letter is intended to notify the Council that construction is scheduled to begin at this site on or about January 17th, 2014.

Per Condition #3 of the Decision and Order, granted on March 7, 2013, UI is officially notifying the Council of the start of construction.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tony Buccheri', written over a horizontal line.
