FROM: Melanie Bachman, Acting Executive Director *MB*

RE: **DOCKET NO. 434** – Cellco Partnership d/b/a Verizon Wireless Application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a relocated telecommunications facility at 139 North Main Street, West Hartford, Connecticut.

During the evidentiary hearing held on April 25, 2013 for the above-referenced matter, the Connecticut Siting Council (Council) requested the following additional information be submitted by New Cingular Wireless PCS, LLC (AT&T) as late-filed exhibits:

1. Cumulative power density calculation
2. AT&T's estimated on load the proposed emergency generator
3. Proposed facility antenna elevation relative to existing Gallaudet Hall facility

AT&T submitted the late-filed exhibits on May 8, 2013. Parties or intervenors who would like to cross-examine AT&T on the late filed exhibits, or any participant who would like to submit additional pre-filed testimony or exhibits are requested to notify the Council and other participants in writing of such an intent to cross-examine or submit additional pre-filed testimony or exhibits on or before May 23, 2013.

Please contact Melanie Bachman at 860-827-2951 if you require any further information regarding the Council's procedure.
