RE: **DOCKET NO. 437** – New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 111 Second Hill Road, Bridgewater, Connecticut.

During the evidentiary hearing held on June 25, 2013 for the above-referenced matter, the Connecticut Siting Council (Council) requested the following additional information be submitted as late-filed exhibits:

1. Revised site plan showing:
 - a) additional details of the proposed drainage system;
 - b) location of proposed erosion and sedimentation controls; and
 - c) any landscape plantings amenable to the landowner to replace dead/dying trees that provide screening to the proposed site.
2. Location of the property noted on Map C02, Map References Note 2 (*...development rights to be acquired by the State of Connecticut...*)
3. Identification of type of open space for property at 79 Second Hill Road, as depicted in the Town Conservation and Development Plan. Please identify whether this open space is accessible to the public.

The Council requests that the additional information be submitted to the Council on or before July 9, 2013.
