New Britain, CT 06051

Re: Docket 439  
Message Center Management (MCM) and  
New Cingular Wireless PCS, LLC (AT&T)  
Bateswood Park, New London, Connecticut

Dear Executive Director Bachman:

On behalf of Message Center Management, Inc. (MCM) and New Cingular Wireless PCS, LLC (AT&T), this letter is submitted in regard to the captioned Facility for which the Siting Council issued a Certificate of Environmental Compatibility and Public Need in Docket 439 ("Certificate").

We wish to advise the Council that the Facility is fully constructed, on-air, and operational. A construction completion report in accordance with Siting Council regulations is included with this letter.

In the meantime, should you or the Council have any questions regarding this matter please do not hesitate to contact me.

Very truly yours,

Daniel M. Laub

cc: Mayor Daryl Justin Finizio, City of New London  
William Camosci, Assistant Director of Engineering Services, City of New London  
Maria Scotti, MCM  
Virginia King, MCM  
Christopher Gelinias, MCM  
Michele Briggs, AT&T  
John Lawrence Centerline Communications  
Christopher B. Fisher, Esq.

**Docket 439**  
**Message Center Management (MCM)**  
**New Cingular Wireless PCS, LLC (AT&T)**  
**Bateswood Park, New London, Connecticut**

In accordance with Sec. 16-50j-77(b)(4), MCM reports to the Connecticut Siting Council the following:

1. Agreements with abutters or other property owners regarding special maintenance precautions:
  - Message Center Management concluded no additional or further agreements.
  - AT&T executed an easement with the City of New London for the location of its telecommunications connection (additional information from AT&T for the Council's records will follow under separate cover).
2. Significant modifications of the Development and Management (D&M) Plan that were required because of the property rights of underlying and adjoining owners or for other reasons.
  - No modifications of the D&M plan to report.
3. Location of construction materials/improvements left in place in the form of culverts, erosion control structures along watercourses and steep slopes, and corduroy roads in regulated wetlands.
  - None to report.
4. Location of areas where special planting and reseeding have been done;
  - None to report.
5. Agreements between the certificate holder and public agencies authorizing public recreational use of the site to the extent of the certificate holder's property rights thereto.
  - None to report.
6. Final construction cost of the tower and associated equipment, including:
  - Construction of the tower and associated equipment: \$340,000.00
  - Rehabilitation: N/A
  - Property acquisition for site or access to site: N/A
