Dear Ms. Henry:

The Connecticut Siting Council (Council) received an application for a Certificate of Environmental Compatibility and Public Need, pursuant to General Statutes § 16-50i for a telecommunications facility in Southbury, Connecticut. The Town of Roxbury is within 2,500 feet of the proposed facility. Connecticut General Statute § 16-50i(b) requires municipalities within 2,500 feet of a proposed facility to receive adequate notice of the project. This request will be placed on a future meeting agenda to adopt a schedule which will include a public hearing. A copy of the agenda will be sent to you.

Pursuant to General Statutes § 16-50gg, municipalities may provide to the Council location preferences or other criteria for the siting of telecommunications towers that are brought to the Siting Council for approval. The Council requests submission of these comments by November 29, 2013.
