Re: New Cingular Wireless PCS LLC ("AT&T")
Proposed Wireless Telecommunications Facility
New Milford Tower Project – Siting Council Docket No. 444

Dear First Selectman Cope:

We are writing to you on behalf of New Cingular Wireless PCS, LLC ("AT&T") as a follow up to our November 11, 2013 correspondence regarding the status of AT&T's wireless siting projects. Specifically, AT&T's proposal at the FirstLight Hydro Generating Company parcel located in the adjacent community of New Milford. Please let us know if the Town of Sherman will waive the need for a full 90 day consultation under Section 16-50l of the Connecticut General Statutes and/or if there are any comments on the project Sherman would like to provide AT&T and the Siting Council with. We understand from AT&T representatives that you and other Town agencies do have the full application package and we look forward to hearing from you further in this regard. Thank you for your consideration of this request and your continued consideration of all of AT&T's projects.

Very truly yours,

Christopher B. Fisher
