Members of the staff, Melanie Bachman, who is our executive director, and Michael Perrone, our siting analyst. This is a continuation of a hearing that began at 3 p.m. this afternoon. Copies of the hearing program and the Council's Citizens Guide to Siting Council Procedures are available for the members of the public on the chair in the back. This hearing is held pursuant	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	already provides service for an area, other carriers have the right to compete and provide service in the same area. The applicant published notice, a filing of the application to the Council in the New Milford Spectrum on October 18, 2013, and October 25, 2013. The Council's legal notice of the date and time of the hearing was published in the New Milford Spectrum, on February 28, 2014. And upon the Council's request, the Applicant erected a sign at the proposed site so as to inform the public the name of the applicant, type of facility, hearing date and location and contact information for the Council. This afternoon members of the council staff and public personally conducted a field review of the proposed site in order to observe firsthand the potential effects of the proposal. This hearing session tonight has been reserved for the public to make short statements into the record. These

Not all of them on the 50 miles or so 11 I wholeheartedly agree with 12 in Connecticut. 12 what he's saying about the natural beauty of 13 I am a hike leader for various 13 this area. Kent is absolutely gorgeous, you 14 mountain clubs in Connecticut. When I lead a 14 know, with the mountains and everything, the 15 hike on some trail that is not the 15 Appalachian Trail, the whole northwest 16 Appalachian Trail, I get half a dozen people. 16 corner. And this Gaylordsville is kind of 17 When I lead a hike on the Appalachian Trail I 17 the entry of this, this beautiful area of the get 12 or 20 people. There are sweeping 10 10 vistas. They're not just a little look quite do it for me. 11 I was at -- on the Herrick 11 through the trees, where you're right looking 12 12 trail yesterday, and the Amy's Overlook very at that little yellow house where the road 13 13 definitely overlooks the site. There's no is. Where the -- I could see the site. I've 14 question but that it will be visible from 14 studied it. I know where the site -- I know 15 there. And I need to make the comment that, 15 where the tower will be. I'm fairly certain it will be 16 while driving today along Route 7 between 16 17 17 Route 55 and Bulls Bridge Road, I had no visible, but the balloon was very hard to 18 problem with my cell coverage, but then I 18 see. There's also a tower 3 going to mar the landscape, it's probably 3 that's shaped like a pine tree just north of 4 there forever. And to keep that in mind, 4 town up on Long Mountain, the south end of 5 5 whether it's, you know, there's something Long Mountain. I think we should consider 6 else that can be done. I understand after 6 looking at using those towers instead of a 7 7 reading all the docket information that this new one that destroys the view shed in part 8 8 is not going to give New Milford a hundred of the AT, the nationally known AT that's in 9 9 percent coverage.
