RE: **DOCKET NO. 444** – New Cingular Wireless PCS, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at the FirstLight Hydro Generating Company property, Kent Road, New Milford, Connecticut.

Dear Attorney Chiocchio:

The Connecticut Siting Council (Council) is in receipt of the request for an extension of construction time in this docket dated August 28, 2015. Pursuant to Condition No. 7 of the Certificate dated May 29, 2014, I have considered your request for an extension of construction time in this docket and grant a one year extension of time until December 31, 2016, to complete the construction of this facility.

Pursuant to Condition No. 8 of the Certificate, any request for an extension to fully construct this telecommunications facility with at least one fully operational wireless telecommunications carrier shall be filed with the Council not later than 60 days prior to the expiration of this Certificate and shall be served on all parties and intervenors, as listed on the current service list and the Town.

This extension is granted with the understanding that the Council will be notified should the Certificate Holder decide not to proceed with construction.

Sincerely,

Melanie A. Bachman  
Acting Executive Director
