Re: **Docket No. 445 – Homeland Towers, LLC and New Cingular Wireless PCS, LLC Application for Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a Telecommunications Facility Located at Ridgefield Town Assessor Map Parcel # D08-124, Southwest of the Intersection of Old Stagecoach Road and Aspen Ledges Road, Ridgefield, Connecticut**

Dear Ms. Bachman:

This letter is in response to the Council's request for information regarding Verizon Wireless' interest in the tower site proposed in Docket No. 445. Cellco has examined the proposed tower location and is not currently interested in pursuing this site.

Like AT&T, Verizon Wireless does have a need for wireless service in northwest Ridgefield and the proposed AT&T tower would certainly help satisfy that need. Verizon Wireless does not, however, currently have a search area budgeted for northwest Ridgefield and, therefore, cannot participate in the Docket No. 445 proceeding.

Please feel free to contact me if you have any questions.

Sincerely,

Kenneth C. Baldwin
