DPH Project # 2014-0098

Dear Ms. Roberts:

The Drinking Water Section of the Department of Public Health has reviewed the application associated with Docket No. 446 for potential impacts to any sources of public drinking water supply. This project does not appear to be in a public water supply source water area; therefore, the Drinking Water Section has no comments at this time.

Sincerely,

A handwritten signature in black ink that reads 'Patricia Bisacky'.
