Re: Docket 450 - New Cingular Wireless PCS, LLC ("AT&T")  
Proposed Wireless Telecommunications Tower Facility  
30 Cobblers Hill Court, Monroe, Connecticut

Dear Mr. Perrone:

On behalf of New Cingular Wireless PCS, LLC ("AT&T") and in connection with the above referenced Certificate Application, we enclose the newspaper publisher's Affidavit of Publication of the Legal Notice published in the Connecticut Post newspaper on two insertion dates of May 22, 2014 and May 23, 2014 in accordance with State statute.

Please incorporate the enclosed as part of the official record of the proceeding. Thank you.

Very truly yours,

  
Lucia Chiochio

Enclosure

### NOTICE

Notice is hereby given, pursuant to Section 16-50(b) of the Connecticut General Statutes and Section 16-501-1(e) of the Regulations of Connecticut State Agencies of an Application to be filed with the Connecticut Siting Council ("Siting Council") on or after May 30, 2014 by New Cingular Wireless PCS, LLC ("AT&T" or the "Applicant") for a certificate of environmental compatibility and public need for the construction and maintenance of a wireless telecommunications facility in Monroe, Connecticut.

The proposed Facility will be located at 30 Cobblers Hill Court identified as parcel number 107-8.02 by the Monroe Tax Assessor. The proposed Facility consists of a 155-foot tall self-supporting tower designed as a tree or "monopine" with an additional 7' branch extension to provide a tapered top and a 75' x 75' tower compound at the base of the tower located in the southeastern portion of the parcel. An associated 11' 6" x 20' unmanned equipment shelter would be installed together with a back-up power generator in the compound. The proposed tower and equipment compound will be enclosed by an eight (8) foot tall fence. The compound and tower will be designed to accommodate space for other carriers as well as emergency communications equipment. Vehicular access to the Facility will be provided from the northeastern area of the cul-de-sac at the end of Cobblers Hill Court over a new 12' wide gravel access drive a distance of approximately 1,634' to the compound.

The location, height and other features of the Facility are subject to review and potential change under provisions of the Connecticut General Statutes Sections 16-50g et. seq.

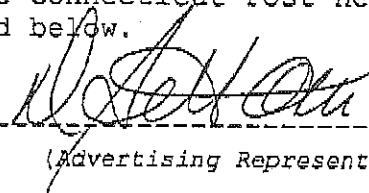

The Facility is being proposed to allow AT&T to provide service in this area of the State. The Application explains the need, purpose and benefits of the Facility and also describes the environmental impacts of the proposed Facility. The Facility will be available for co-location by other wireless carriers.

A balloon, representative of the height of the proposed Facility, will be flown at the proposed site on the first day of the Siting Council public hearing on the Application, which will take place in the Town, or such other date specified by the Siting Council and a time to be determined by the Siting Council, but anticipated to be between the hours of 12pm and 5pm.

Interested parties and residents of the Town of Monroe, Connecticut are invited to attend the Application
