Subject: Homeland Towers - Salisbury CT114/Docket NO. 452 construction commencement

Good morning Melanie.

Homeland Towers commenced construction on our Salisbury site on 6-2-16. Let me know if you would like a formal letter for your records from Homeland to the Council or if this email will suffice.

As a side note, tree clearing at the site took place on March 12, 2016. Due to the potential presence of the northern long eared bat, DEEP recommended that tree clearing be conducted November 1 through March 30.

Best,

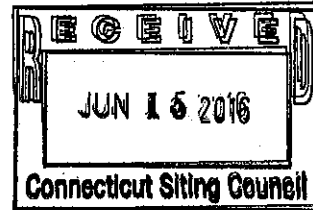

Ray
