RE: **DOCKET NO. 455** – Celco Partnership d/b/a Verizon Wireless Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at Southington Tax Assessor Map/Lot 066053, 99 East Street, Southington, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated April 28, 2016 regarding the revision to the Development and Management (D&M) Plan for the above-referenced site that was approved by the Council on August 6, 2015.

Pursuant to Regulations of Connecticut State Agencies §16-50j-77(b), your request to install equipment cabinets and a backup generator on a 12-foot x 26-foot steel equipment platform beneath a steel canopy structure in lieu of a 12-foot x 26-foot shelter at the site is hereby approved.

This approval applies only to the D&M Plan revision dated April 28, 2016. Any significant changes to the D&M Plan require advance Council notification and approval.

Please be advised that deviations from this plan are enforceable under the provisions of the Connecticut General Statutes § 16-50u. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to Regulations of Connecticut State Agencies Section 16-50j-77.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman
Acting Executive Director
