Re: **Docket No. 455 – Application of Celco Partnership d/b/a Verizon Wireless to Construct, Maintain and Operate a Wireless Telecommunications Facility at 99 East Street, Southington, Connecticut**

Dear Ms. Bachman:

On May 14, 2015, the Siting Council approved the above-referenced docket. Construction of the facility has commenced but may not be completed by the November 14, 2016 deadline. We are, therefore, requesting an extension of six (6) months to complete construction of the Southington East Street facility.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
