Waterbury, CT 06702

RE: **DOCKET NO. 461** - Eversource Energy application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115-kilovolt (kV) bulk substation located at 290 Railroad Avenue, Greenwich, Connecticut, and two 115-kV underground transmission circuits extending approximately 2.3 miles between the proposed substation and the existing Cos Cob Substation, Greenwich, Connecticut, and related substation improvements.

Dear Attorney Dubuque:

In response to your request, at the September 1, 2015 public hearing the Connecticut Siting Council granted the applicant's Motion for Protective Order, dated August 13, 2015, related to the disclosure of proprietary cost data, pursuant to Connecticut General Statutes § 1-210(b), on the basis that proprietary cost data is exempt from public disclosure.

The Protective Order shall apply to documents contained in the currently filed responses to the Council's July 30, 2015 interrogatories and to the Office of Consumer Counsel's August 18, 2015 interrogatories and any other proprietary cost data documents that may be filed as part of the evidentiary record in this docket proceeding.

Please feel free to call Melanie Bachman, Acting Executive Director and Staff Attorney, if you have any questions.

Thank you.

Sincerely,

Robert Stein  
Chairman
