Re: Docket 461 - Greenwich Substation and Line Project

Dear Mr. Granoff:

To assist Eversource in evaluation of your rendering submitted to the Connecticut Siting Council on August 26, 2015, provide a detailed description of the exterior materials reflected in your rendering. Please include the types of materials, dimensions (including dimensions of windows) and manufacturers and/or suppliers and any other pertinent information and/or specific features, including trees in your design.

Sincerely,

A handwritten signature in black ink, appearing to read "John Morissette".

John Morissette
