Subject: RE: CSC 461- Eversource Interrogatory to Richard Granoff
Attachments: 330RR ExtPhoto.jpg

The rendering was just that, a preliminary concept of what could be done at the site (as opposed to what was proposed by Eversource). The proposed brick and limestone trim would match the Eversource building across the street at 330 Railroad (photo attached; which I am in contract to purchase). The windows would be aluminum frame.

Best,

Rich
