Empowering you to make  
smart energy choices

Dear Energy Customer,

Save energy and money with Home Energy Solutions<sup>SM</sup>, an Energize Connecticut program brought to you by Eversource and Connecticut Natural Gas. In an effort to reduce the amount of energy you use and to improve the comfort of your home, certified Home Energy Solutions professionals will evaluate your home's energy performance and provide energy-saving products and services such as:

- Energy-efficient compact fluorescent and LED light bulbs;
- Water-saving devices including low-flow, high-pressure showerheads and faucet aerators;
- The latest technology to seal air leaks, including attic and basement air sealing, door sweeps, weather stripping and caulking around windows and doors;
- Rebates for additional home improvements such as insulation, heating and cooling systems and water heaters.

These services add up to an average of \$1,000 but they are available to our customers for a co-pay of just \$99\*.

**These services save participants an average of \$200 a year, each year,  
in energy costs.**

The Home Energy Solutions program is funded by a small charge on electric and natural gas bills. It's your money, so take advantage and start saving! Call **877-WISE-USE (877-947-3873)** to schedule your appointment or visit [EnergizeCT.com/HES](http://EnergizeCT.com/HES) to complete an online application.

\* \$99 fee for Eversource customers. Program availability and price is subject to change. Fee may be waived for income eligible residents.

Sincerely,

**The Energy Efficiency Teams at Eversource and CNG**
