### HEARING NOTICE

Pursuant to provisions of Connecticut General Statutes § 16-50m and Section 16-50j-21 of the Regulations of Connecticut State Agencies, notice is hereby given that the Connecticut Siting Council (Council) will conduct a public hearing on Tuesday, September 1, 2015, beginning at 3:00 p.m., and continued at 6:30 p.m., at the Greenwich Library, Cole Auditorium, 101 West Putnam Avenue, Greenwich, Connecticut, and thereafter as necessary. The hearing will be on an application from Eversource Energy for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115-kilovolt (kV) bulk substation located at 290 Railroad Avenue, Greenwich, Connecticut, and two 115-kV underground transmission circuits extending approximately 2.3 miles between the proposed substation and the existing Cos Cob Substation, Greenwich, Connecticut, and related substation improvements.

The purpose of the hearing is to hear evidence on the applicant's contentions that the public need for the facility outweighs any adverse environmental effects that would result from the construction, operation, and maintenance of the project. The 3:00 p.m. hearing session will provide the applicant, parties, and intervenors an opportunity to cross-examine positions. The 6:30 p.m. hearing session will be reserved for the public to make brief statements into the record. Cross-examination of parties and intervenors will resume, if necessary, after all statements have been heard.

The Council will conduct a public field review of the proposed project on Tuesday, September 1, 2015, beginning at 1:00 p.m.

Applicable law for this proceeding includes the Public Utility Environmental Standards Act, General Statutes § 16-50g, et seq., and Sections 16-50j-1, et seq., of the Regulations of Connecticut State Agencies.

The Council directs that all testimony and exhibits be pre-filed with the Council and all parties and intervenors by August 25, 2015. In accordance with the State Solid Waste Management Plan, the Council requests that all filings be submitted on recyclable paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators.

Individuals are encouraged to participate through their elected officials, and other party/intervenor groupings.

Any person seeking to be named or admitted as a party or intervenor to the proceeding may file a written request to be so designated at the office of the Connecticut Siting Council, 10 Franklin Square, New Britain, Connecticut, 06051, on or before August 25, 2015.

Parties and intervenors will be allowed to submit briefs and proposed findings of fact within 30 days after the close of the hearing.

Any person who is not a party or intervenor to this proceeding may file a written statement with the Council up to 30 days after the close of the hearing. Such statements will become part of the record. No written statement or any other information will be accepted from any person not a party or intervenor to the proceeding after 30 days following the close of the hearing, except as otherwise prescribed by law or the Council.

A verbatim transcript of the hearing session(s) will be made and deposited with the Town Clerk's Office of the Greenwich Town Hall for the convenience of the public.

Requests for information in alternative formats or for sign-language interpreter services must be submitted in writing by August 25, 2015.

The Honorable Peter J. Tesei  
First Selectman  
Town of Greenwich  
101 Field Point Road  
Greenwich, CT 06830

RE: **Hearing Date** – September 1, 2015, in connection with **DOCKET NO. 461** - Eversource Energy application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115-kilovolt (kV) bulk substation located at 290 Railroad Avenue, Greenwich, Connecticut, and two 115-kV underground transmission circuits extending approximately 2.3 miles between the proposed substation and the existing Cos Cob Substation, Greenwich, Connecticut, and related substation improvements.

Dear First Selectman Tesei:

The Connecticut Siting Council (Council) has scheduled a public hearing in your municipality in connection with the above-referenced application. Pursuant to C.G.S. §16-50m, at least one hearing session shall be held at a location selected by the Council in the county in which the facility or any part thereof is to be located after 6:30 PM for the convenience of the general public. Accordingly, I am extending to you my personal invitation to participate in the public hearing that is scheduled on September 1, 2015.

After an application is filed with the Council, a public inspection of the proposed project and at least one public hearing are held in the host municipality to hear concerns from residents. The municipality's participation at the public hearing may take many forms. Municipal officials may request Party or Intervenor Status to actively participate in the evidentiary portion of the public hearing, present oral statements to the Council during the public comment session of the public hearing or submit written statements to the Council at any time before, during or within 30 days after the close of the public hearing.

Our staff is available to assist you in understanding our process and your options. In the event that you have legal questions, please contact our Staff Attorney Melanie Bachman at (860) 827-2951.

The Council weighs many issues before rendering its decisions. We encourage you to take part in our public hearing process.

Sincerely,

Robert Stein  
Chairman
