Subject: Docket 461A-GSLP: Extended Hours Request; Indian Harbor Drive/Davis Avenue; 6/11/20

Dear Ms. Bachman:

Eversource is requesting an extension of work hours for this evening beyond the 6 PM curfew until 8 PM for duct bank installation work on Indian Harbor Drive near the intersection with Davis Avenue. The reason for the request is that the concrete company notified Eversource that they are running behind at the batch plant by about 90 minutes and that each of the remaining trucks for the day will be arriving at the construction site about 90 minutes later than scheduled.

The Town of Greenwich has been notified and they understand and have no issues with the extended hours.

Thank you for your consideration of this request.
