RE: **DOCKET NO. 463A** – American Towers, LLC and New Cingular Wireless PCS, LLC amended application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 351A Boston Post Road, East Lyme, Connecticut or for the construction, maintenance and operation of a telecommunications facility at an alternative site located at 2 Arbor Crossing, East Lyme, Connecticut pursuant to Connecticut General Statutes §4-181a(a).

### Procedural

On September 29, 2016, the Council denied the Docket No. 463 application without prejudice on the basis of good cause in that the statutory deadline for a final decision could not be met. Pursuant to the provisions of Connecticut General Statute § 4-181a(a), the Council, on its own motion, reopened the final decision to reconsider the application, as amended, and now designated as Docket No. 463A.
