BHSO'S RESPONSES TO CSC PRODUCTION REQUEST
DATED JANUARY 6, 2016

The BHSO hereby files its responses to the Council Production Request dated January 6, 2016.

1. The BHSO responds that it was able to take only limited photos on the date of the official balloon flight on December 15, 2015 as there were high winds which resulted in the balloon being pulled down to a lower height and being damaged and taken down three times. The BHSO was able to take some photographs on December 5th, 2015 when the Applicant did a balloon flight for its supplemental filing. The attached photographs are labelled by photographer and date and location. The Schunemeyer photographs were taken on Plum Hill Road, East Lyme.

Respectfully Submitted,

Intervenor, BHSO
