White Plains, NY 10601

RE: **DOCKET NO. 464** – Blue Sky Towers, LLC and New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at Bridgeport Tax Assessor Map 53, Block 1527, Lot 2, 220 Evergreen Street, Bridgeport, Connecticut.

Dear Attorney Fisher:

The current deadline for a completeness review for the above-mentioned docket is January 1, 2016. Due to the holidays, the Connecticut Siting Council does not have a meeting scheduled prior to January 1, 2016 and will need additional time to deem the application complete.

The applicant's consent to the requested extension of time to deem the application complete shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
Acting Executive Director
