Re: **DOCKET NO. 465** - The United Illuminating Company application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115/13.8-kilovolt (kV) replacement substation facility located on an approximately 1.5 acre portion of two adjoining UI-owned parcels directly adjacent to UI's existing Baird Substation, 1770 Stratford Avenue, Stratford, Connecticut, and related transmission structure and interconnection improvements. - **Notice of Completion of Construction**

Dear Chairman Stein:

The United Illuminating Company ("UI") submits this Notice of Completion of Construction, pursuant to paragraph 3 of the Council's April 28, 2016 Decision and Order, in the above captioned Docket. Construction activities associated with the above-referenced Docket were completed on July 13, 2018. Plantings outside the fence line of the substation remain outstanding due to unfavorable planting conditions. All other site rehabilitation has been completed.

Please do not hesitate to contact me at (203) 499-2586 with any questions.

Sincerely,

Amy Hicks
Outreach Specialist
The United Illuminating Company
