RE: Docket No. 468: Southwest Connecticut Reliability Project
Notification of Transmission Line Construction Commencement

Dear Chairman Stein:

Pursuant to Section 16-50j-62(b)(1) of the Regulations of Connecticut State Agencies (RCSA) and as described in Volume 3, Section A.3.3, of the Southwest Connecticut Reliability Project (Project) *Development and Management (D&M) Plan, Project-Wide Approvals, Permits, Plans, and Best Management Practices*, The Connecticut Light and Power Company doing business as Eversource Energy (Eversource) hereby provides to the Connecticut Siting Council (Council) written notification that the construction of the Project's new 3.4-mile, 115-kilovolt transmission line is expected to commence on or about December 4, 2017.

The adjacent property owners and chief elected officials of Bethel, Danbury, and Brookfield have been or are being notified prior to the commencement of construction in their municipality.

Enclosed are 15 copies of this notice.

Should you or other Council members have any questions regarding this submission, please do not hesitate to contact me via e-mail at kathleen.shanley@eversource.com or telephone at (860) 728-4527.

Sincerely,

Kathleen M. Shanley
Manager, Transmission Siting
