Re: **Docket No. 469 – Cellco Partnership d/b/a Verizon Wireless
520 Bailey Hill Road, Killingly, Connecticut**

Dear Ms. Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced telecommunications facility has now been completed and the cell site has been activated.

If you have any questions or need any additional information regarding these facilities please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
