RE: **DOCKET NO. 470B** – NTE Connecticut, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 550-megawatt dual-fuel combined cycle electric generating facility and associated electrical interconnection switchyard located at 180 and 189 Lake Road, Killingly, Connecticut. Reopening of this application based on changed conditions pursuant to Connecticut General Statutes §4-181a(b).

Dear Attorney Lugli:

The Connecticut Siting Council (Council) is in receipt of the Department of Energy and Environmental Protection's (DEEP) request for an extension of time to submit state agency comments in response to the Council's February 15, 2019 correspondence to state agencies related to the above-referenced matter. The current deadline for comments is March 28, 2019.

The Council hereby grants DEEP's request for an extension of time to submit state agency comments on the above-referenced matter to April 1, 2019.

Should you have any questions, please feel free to contact the Council's office at 860-827-2935.

Thank you for your interest and concern in this matter.

Sincerely,

Melanie A. Bachman

RE: Docket No. 470B NTE Connecticut, LLC

Dear Siting Council members and Executive Director Bachman:

The Department of Energy and Environmental Protection ("DEEP") submits this letter in reference to Docket No. 470B. DEEP would like to request an extension for two additional business days from the March 28, 2019 deadline provided by the Council in the Connecticut State Agency Comment Memo to compile our comments.

Thank you for your consideration of this matter.

Best regards,

Nicole M. Lugli
