Re: **Docket No. 471 – Application of Celco Partnership d/b/a Verizon Wireless for a Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a Wireless Telecommunications Facility Located at 208 Kirk Road, Hamden, Connecticut**

Dear Ms. Bachman:

The photosimulations included in Attachment 1 of the Applicant's responses to the Council's Pre-Hearing Questions – Set 3 in Docket No. 471 did not include the photosimulation of a tree tower at Alternative Site No. 2. Enclosed are fifteen (15) copies of a tree tower simulation for Alternative Site No. 2 as requested in Question No. 40e.

I apologize for this oversight.

Sincerely,

Kenneth C. Baldwin
