RE: **DOCKET NO. 472** - Cellco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at Bridgeport Tax Assessor's Map 85, Block 2805, Lot 29, 541 Broadbridge Road, Bridgeport, Connecticut.

Dear Attorney Baldwin:

The current deadline for a completeness review for the above-mentioned docket is April 26, 2017. Due to the cancellation of the Connecticut Siting Council's (Council) April 13, 2017 regular meeting, the Council will need additional time to deem the application complete.

The applicant's consent to the requested extension of time to deem the application complete shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
Executive Director
