RE: **DOCKET NO. 474** - The Connecticut Light & Power Company d/b/a Eversource Energy application for a Certificate of Environmental Compatibility and Public Need for the Greater Hartford-Central Connecticut Reliability Project that traverses the municipalities of Hartford, West Hartford, and Newington, which consists of (a) construction, maintenance and operation of a new 115-kilovolt (kV) electric transmission line within existing Eversource, Amtrak and public road rights-of-way and associated facilities extending overhead approximately 2.4 miles and underground approximately 1.3 miles between Eversource's existing Newington Substation in the Town of Newington and existing Southwest Hartford Substation in the City of Hartford; (b) modifications to a .01 mile section within existing Eversource right-of-way of the existing overhead 115-kV electric transmission line connection to the Newington Substation (Newington Tap); and (c) related modifications to Newington Substation and Southwest Hartford Substation.

Pursuant to General Statutes § 16-50o(d), "A copy of the transcript of testimony at the hearing shall be filed at an appropriate public office, as determined by the Council, in each county in which the facility or any part thereof is to be located."

The Council has determined that the Clerk's Office in the Newington and West Hartford Town Halls and Hartford City Hall are appropriate public offices for filing copies of the transcript in Hartford County.

Enclosed please find the transcript on the subject docket dated August 22, 2017 received in the Council's office on August 30, 2017.

Pursuant to Section 16-50j-26 of the Regulations of Connecticut State Agencies, at the conclusion of the hearing, the Council established that September 21, 2017 is the date by which briefs and public statements may be filed with the Council.
