RE: **DOCKET NO. 480** – SectorSite LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility on town-owned property behind the Southwest Fire Station located at 2 Westwoods Drive, Farmington, Connecticut.

Dear Attorney Chiocchio:

At a public meeting of the Connecticut Siting Council (Council) held on February 16, 2023, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) for the above-referenced facility from SectorSite LLC to Phoenix Towers International US Towers II, LLC (PTI US Towers II). This approval of transfer is consistent with Connecticut General Statutes §16-50k(b) and conditioned on the consent of PTI US Towers II to comply with all the terms, limitations, and conditions contained in said Certificate issued on May 11, 2018 and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(2).

Thank you for your attention and cooperation.

Sincerely,
