RE: **DOCKET NO. 482** - Cellco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility on town-owned property behind Lyman Memorial High School located at 917 Exeter Road, Lebanon, Connecticut.

I. Introduction

The application is from Cellco Partnership d/b/a Verizon Wireless for the construction, maintenance, and operation of a 150-foot monopole telecommunications facility and associated equipment on town-owned property behind Lyman Memorial High School located at 917 Exeter Road in Lebanon, Connecticut.

II. Technical

The application conforms to the Council's *Application Guide for Community Antenna Television and Telecommunication Facilities* dated July 2012, includes relevant maps, description of the proposed site, project costs, a description of the environmental effects of the proposed construction, and health and safety information. The application meets statutory technical requirements for processing the application. This project would not require an outside consultant.

III. Administrative Review

All service and filing requirements pursuant to General Statutes § 16-50/ (b) have been fulfilled. Notice to the general public was published in the *Norwich Bulletin*.

IV. Procedural

The Council must schedule a hearing in the county in which the facility or any part thereof is to be located not less than 30 days and no more than 150 days after receipt of an application. The Council must also designate a place for the deposition of the transcript. Staff recommends holding the public hearing in the Town of Lebanon on Tuesday, May 1, 2018, and depositing the transcript in the Lebanon Town Hall.
