RE: **DOCKET NO. 482** - Cellco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility on town-owned property behind Lyman Memorial High School located at 917 Exeter Road, Lebanon, Connecticut.

Dear Attorney Baldwin:

At a public meeting held on March 29, 2018, the Connecticut Siting Council denied the applicant's Motion for Protective Order, dated March 18, 2018, related to the disclosure of the monthly rent and financial terms contained within the lease agreement for the above-referenced site, on the basis that the proposed facility is to be located on real property owned by the Town of Lebanon, defined as a "public agency" under the Freedom of Information Act that is required to maintain public records for inspection and copying.

Please feel free to call Melanie Bachman, Executive Director and Staff Attorney, if you have any questions.

Thank you.

Sincerely,

Robert Stein
Chairman
