RE: **DOCKET NO. 483** - The United Illuminating Company Certificate of Environmental Compatibility and Public Need for the Pequonnock Substation Rebuild Project that entails construction, maintenance, and operation of a 115/13.8-kilovolt (kV) gas insulated replacement substation facility located 700 feet southwest of UI's existing Pequonnock substation on an approximately 3.7 acre parcel owned by PSEG Power Connecticut, LLC at 1 Kiefer Street, Bridgeport, Connecticut, and related transmission structure and interconnection improvements.

Dear Attorney McDermott:

The Connecticut Siting Council (Council) is in receipt of the request for an extension of construction time in the above-referenced matter dated August 17, 2022. Pursuant to Condition No. 6 of the Certificate issued on October 12, 2018, the Council hereby grants your request for an extension of time to complete the construction of this facility until December 31, 2024.

Pursuant to Condition Nos. 6 and 7 of the Certificate, any request for an extension to fully construct this electric substation facility shall be filed with the Council not later than 60 days prior to the expiration date of this Certificate and shall be served on all parties and intervenors, as listed in the service list, and the City of Bridgeport.

This extension is granted with the understanding that the Council will be notified should the Certificate Holder decide not to proceed with construction.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie A. Bachman".

Re: DOCKET NO. 483 - The United Illuminating Company Application for a Certificate of Environmental Compatibility and Public Need for the Pequonnock Substation Rebuild Project that Entails Construction, Maintenance, and Operation of a 115/13.8-kilovolt (kV) Gas Insulated Replacement Substation Facility Located 700 Feet Southwest of UI's Existing Pequonnock Substation on an Approximately 3.7 Acre Parcel Owned by PSEG Power Connecticut, LLC at 1 Kiefer Street, Bridgeport, Connecticut, and Related Transmission Structure and Interconnection Improvements

Dear Attorney Bachman:

Condition 6 of the October 11, 2018 Decision and Order that approved The United Illuminating Company's ("UI") new Pequonnock Substation project provides that construction is to be completed within five years of the effective date of the Decision and Order and that the Certificate Holder is to provide the Connecticut Siting Council (the "Council") with notice of any schedule changes as soon as possible. UI's development and management plan provided an estimated construction completion date of August 2024. By this letter, UI wishes to inform the Council that the new anticipated construction completion date is November 2024.

Please feel free to contact me with any questions concerning this letter at (203) 772-7787.

Very truly yours,

Bruce L. McDermott
