RE: Petition No. 483: Pequonnock Substation Rebuild Project
Monthly Construction Status Report – April 2022

Dear Ms. Bachman,

Pursuant to the Regulations of Connecticut State Agencies section 16-50j-62(b)(3) and as described in the Pequonnock Substation Rebuild Project D&M Plan approval, dated August 28, 2020, The United Illuminating Company hereby provides to the Connecticut Siting Council (“Council”) this Construction Progress Report for the month of April 2022.

Should you or the Council members have any questions regarding this submission, please do not hesitate to contact me via e-mail at jvan@uinet.com or telephone (860) 634-4934.

Sincerely,

Jasun Van Horn

PEQUONNOCK SUBSTATION REBUILD PROJECT
MONTHLY CONSTRUCTION STATUS REPORT**

Month: April 2022

Report #7

PROJECT SUMMARY

Substation

Below grade construction continued with the installation of stair and platform, GIB, standby generator, and station service transformer foundations. Perimeter security fence, ground grid and secondary conduit installation started along with final yard grading and stone cover.

Underground Transmission

No planned construction activities.

Overhead Transmission

Installation of the drilled piers for the transmission line monopoles along Ferry Access Road completed.

D & M Deviations

No deviations to the D&M Plan during this time.
