HEARING NOTICE

Pursuant to provisions of Connecticut General Statutes § 16-50m and § 16-50j-21 of the Regulations of Connecticut State Agencies, notice is hereby given that the Connecticut Siting Council (Council) will conduct a public hearing on Thursday, June 14, 2018, beginning with an evidentiary session at 3:00 p.m., and continuing with a public comment session at 6:30 p.m., at the Council Chambers, Bridgeport City Hall, 45 Lyon Terrace, Bridgeport, Connecticut, and thereafter as necessary. The hearing will be on an application from The United Illuminating Company for a Certificate of Environmental Compatibility and Public Need for the Pequonnock Substation Rebuild Project that entails construction, maintenance, and operation of a 115/13.8-kilovolt (kV) gas insulated replacement substation facility located 700 feet southwest of UI's existing Pequonnock substation on an approximately 3.7 acre parcel owned by PSEG Power Connecticut, LLC at 1 Kiefer Street, Bridgeport, Connecticut.

The purpose of the hearing is to hear evidence on the applicant's contentions that the public need for the facility outweighs any adverse environmental effects that would result from the construction, operation, and maintenance of the project. The 3:00 p.m. evidentiary session will provide the applicant, parties and intervenors an opportunity to cross-examine positions. The 6:30 p.m. public comment session will be reserved for the public to make brief statements into the record.

The Council will conduct a public field review of the proposed project on Thursday, June 14, 2018, beginning at 2:00 p.m.

Applicable law for this proceeding includes the Public Utility Environmental Standards Act, General Statutes § 16-50g, et seq., and Sections 16-50j-1, et seq., of the Regulations of Connecticut State Agencies.

The Council directs that all testimony and exhibits be pre-filed with the Council and all parties and intervenors by June 7, 2018. In accordance with the State Solid Waste Management Plan, the Council requests that all filings be submitted on recyclable paper.

Individuals are encouraged to participate through their elected officials and other party/intervenor groupings.

Any person seeking to be named or admitted as a party or intervenor to the proceeding may file a written request to be so designated at the office of the Council, 10 Franklin Square, New Britain, Connecticut, 06051, on or before June 7, 2018.

Parties and intervenors will be allowed to submit briefs and proposed findings of fact within 30 days after the close of the evidentiary record.

Any person who is not a party or intervenor to this proceeding may file a written statement with the Council up to 30 days after the close of the evidentiary record. No written statement or any other information will be accepted after 30 days following the close of the evidentiary record, except as otherwise prescribed by law or the Council.

A verbatim transcript of the hearing will be made and deposited with the City Clerk's Office of the Bridgeport City Hall for the convenience of the public.

Requests for information in alternative formats or for sign-language interpreter services must be submitted in writing by June 7, 2018.
