Re: **Docket No. 484 – Application of Cellco Partnership d/b/a Verizon Wireless for a Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a Wireless Telecommunications Facility Located at 72 Ragged Hill Road, Pomfret, Connecticut**

Notice of Surrender of the Certificate of Environmental Compatibility and Public Need (“Certificate”)

Dear Ms. Bachman:

Cellco Partnership d/b/a Verizon Wireless (“Cellco”) received Siting Council (“Council”) approval for the above-referenced telecommunications facility in November of 2018. Cellco has received several extensions to the deadline for construction and activation of this facility. With these extensions, the Docket No. 484 Certificate is due to expire on November 9, 2023.

Due to recent changes in project development budgets and tower development priorities, Cellco will not proceed with the construction of the approved Pomfret Center facility and hereby surrenders the Docket No. 484 Certificate.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
