December 12, 2012

TO: Council Members

FROM: Linda Roberts, Executive Director *LRoberts*

RE: **Docket No. 265A - Dominion Nuclear Connecticut, Inc. Application to Amend and Modify the Certificate of Environmental Compatibility and Public Need for the existing independent spent fuel storage installation at Millstone Power Station, Rope Ferry Road, Waterford, Connecticut pursuant to Connecticut General Statutes § 4-181a(b) for the limited purpose of determining if changed conditions related to the existing independent spent fuel storage installation justify a modification of the Decision and Order.**

---

The Connecticut Siting Council (Council) has scheduled a field review for this proceeding on Thursday, December 20, 2012, beginning at 1:00 p.m. Council members will meet at the Millstone Power Station Simulator Building Parking Area located off the access road to the Millstone Power Station. A map is enclosed.

**Members of the public planning to attend the field review must contact Kevin Hennessy, Director – Federal, State & Local Affairs – New England, Dominion Resources Services, Inc. at 860-444-5656 by December 13, 2012 for security purposes.**

**All persons attending the field review must produce valid photo-identification.**

A public hearing is scheduled for Thursday, December 20, 2012, beginning at 2:00 p.m. in the Waterford Town Hall Auditorium, 15 Rope Ferry Road, Waterford, Connecticut.
