Dear Ms. Roberts:

PPL Wallingford Energy LLC is submitting this letter in lieu of a brief in connection with the above-referenced proceeding. PPL Wallingford Energy LLC believes that its responses to the Siting Council's Interrogatories, coupled with its testimony at the public hearing, provide the Siting Council with sufficient information upon which to formulate its decision in this matter. PPL Wallingford Energy LLC wishes to thank the Siting Council for the opportunity to participate in this important matter, but does not believe that the submittal of a brief will significantly add to the proceedings.

Should you have any questions concerning the foregoing, please contact the undersigned at your convenience. Please return a date-stamped copy of this filing in the enclosed envelope. Thank you in advance for your assistance.

Respectfully submitted
