RE: **DOCKET NO. F-2012/2013** – Connecticut Siting Council Review of the Ten-Year Forecast of Connecticut Electric Loads and Resources

---

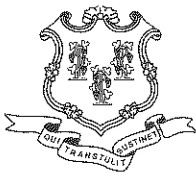

The Connecticut Siting Council (Council) hereby announces that the *2012/13 Connecticut Siting Council Review of the Ten Year Forecast of Connecticut Electric Loads and Resources* is complete and available for review. As envisioned by the applicable legislative directive, this report assesses the overall status of electric loads and resources in the state.

During a Council meeting held on November 14, 2013, the Council, on its own motion, voted to approve issuance of a full forecast report every odd year. The next report shall be issued in 2015.

In order to reduce expenses associated with the printing and designing of this report from outside sources and to encourage environmentally friendly efforts, the Council will not be offering bound copies of this document. This public report is available online by visiting our home page: [www.ct.gov/csc](http://www.ct.gov/csc), clicking "Publications" at the top of the page, and scrolling down to "Forecasts of Loads and Resources."
