RE: **DOCKET NO. F-2012/2013** – Connecticut Siting Council Review of the Ten-Year Forecast of Connecticut Electric Loads and Resources

Dear Sir or Madam:

The Connecticut Siting Council (Council) requests your responses to the enclosed questions no later than June 11, 2013. To help expedite the Council's review, please file individual responses as soon as they are available.

Please forward an original and 15 copies to this office, as well as one electronic Adobe .pdf version via email. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators. A list of parties and intervenors is enclosed. Fewer copies of bulk material may be provided as appropriate.

Yours very truly,

Melanie Bachman
Acting Executive Director

MB/MP

c: Council Members
Parties and Intervenors

Docket F-2012/2013
CDECCA Pre-Hearing Interrogatories

1. Provide a 2013 forecast of electric loads and resources report per Connecticut General Statutes Section 16-50r.
2. How does Capitol District Energy Center Cogeneration Associates (CDECCA) compute seasonal claimed capability?
3. Listed below are the data from the May 2013 ISO-NE Seasonal Claimed capability Report. Does CDECCA agree with these numbers? If no, provide the correct data.

Net Capability - MW	Summer	Winter
CDECCA	55.25	61.33

4. Does CDECCA have black start capability?
5. What is the typical service life (in years) for the above facility? At what point in the service life is the facility currently?
6. Does CDECCA have a decommissioning plan for when the facility is retired or removed from service? If yes, provide the decommissioning plan. If no, explain.
