RE: **FORECAST-2017/2018** - Connecticut Siting Council 2018 Ten-Year Forecast of Electric Loads and Resources.

I. Introduction

Pursuant to Connecticut General Statutes § 16-50r (a), every person engaged in electric transmission services, as defined in section 16-1, electric generation services, as defined in said section, or electric distribution services, as defined in said section, generating electric power in the state utilizing a generating facility with a capacity greater than one megawatt, shall annually file a report on a forecast of loads and resources not later than March 1. The report shall cover the ten-year forecast period beginning with the year of the report.

II. Connecticut Siting Council Report and Public Comment Session

Pursuant to the same section of the statutes, the Connecticut Siting Council (Council) may issue a report on the annual forecast review. The Council's report will be issued in late 2018. The Council is not retaining a consultant.

Also, pursuant to the same section of the statutes, the Council shall hold a public comment session annually to be held after 6:30 p.m. for the convenience of the public. Accordingly, the Council will hold a public comment session in New Britain on September 19, 2018 at 6:30 p.m.

III. Proposed Schedule for 2018

Staff recommends holding the public comment session at 6:30 p.m. in New Britain on Wednesday, September 19, 2018 and depositing the transcript in the office of the Council. Notice of the public comment session will be published in the Hartford Courant.
