RE: **DOCKET NO. 175** - Cellco Partnership d/b/a Bell Atlantic Mobile Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a cellular telecommunications facility at the Groton Police Department headquarters, Groton Long Point Road, Groton, Connecticut. **Transfer of Certificate.**

Dear Attorney Baldwin:

At a public meeting of the Connecticut Siting Council (Council) held on October 10, 2024, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) for the above-referenced facility from Cellco Partnership d/b/a Verizon Wireless to Phoenix Partnership LLC (Phoenix). This approval of transfer is consistent with Connecticut General Statutes §16-50k(b) and conditioned on the consent of Phoenix to comply with all the terms, limitations, and conditions contained in said Certificate issued on November 21, 1996 and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(2).

Thank you for your attention and cooperation.
