RE: **DOCKET NO. 30** - Century Norwich Corporation Certificate of Environmental Compatibility and Public Need to construct a community antenna television tower in Norwich, Connecticut. **Transfer of Certificate.**

Dear Attorney Wakefield:

At a public meeting of the Connecticut Siting Council (Council) held on March 16, 2017, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) for the above-referenced facility from Century Norwich Corporation to IWG Towers Assets I, LLC. This approval of transfer is consistent with Connecticut General Statutes §16-50k(b) and conditioned on the consent of IWG Towers Assets I, LLC to comply with all the terms, limitations, and conditions contained in said Certificate issued on November 1, 1982, and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(2).

Thank you for your attention and cooperation.

Very truly yours,

Robert Stein  
Chairman
