RE: **DOCKET NOS. 3 and 3A** – The United Illuminating Company Amended Certificate of Environmental Compatibility and Public Need for replacement of a portion of the existing Derby – Shelton 115-kV electric transmission line facility.

On May 13, 2022, pursuant to the provisions of Connecticut General Statutes §4-181a(b), the United Illuminating Company (UI) filed a Motion to Reopen and Modify (Motion to Reopen) the Connecticut Siting Council's (Council) January 16, 1974 final decision to issue a Certificate of Environmental Compatibility and Public Need (Certificate) and the Council's December 8, 1976 final decision to amend the Certificate for the above-referenced existing electric transmission line facility that traverses the municipalities of Ansonia, Derby and Shelton (Final Decisions) based on changed conditions.

The Motion to Reopen the Council's Final Decisions related to the above-referenced existing electric transmission line facility will be placed on the June 9, 2022 regular meeting agenda for Council consideration.

Parties and intervenors are requested to submit comments or statements of position in writing to the Council with respect to whether the Motion to Reopen should be granted or denied before the close of business on **June 2, 2022**.
